## **COURSE OPTION**

1

### KOREAN LANGUAGE & K-CULTURE

This course is designed for students to not only learn the Korean language but also to experience cultural immersion during their stay in South Korea. A range of cultural classes to introduce Korean culture, tradition and history is included as part of the program, along with various excursions to allow students to enjoy a glimpse of Seoul during their study experience. This course is best suited for students who are keen to upskill their Korean language skills and at the same time, learn more in depth about Korea, beyond just the language.

# 2

## KOREAN LANGUAGE & K-POP

South Korean pop culture has grown so prominently in the past decade leading to the rise of the Korean wave, known as Hallyu. At the heart of Hallyu is the ever-growing popularity of Korean pop music, also known as K-pop. We designed this course specifically for K-pop fans to immerse in the full K-pop experience, incorporating Korean language classes as well as K-pop dance classes led by industry professionals.
